SUPPLEMENTAL DECLARATION

As below named inventor(s), I declare that:

This declaration is directed to Application No. 09/853,568, filed on May 11, 2001.

I believe that I am the original and first inventor of the subject matter which is claimed and for which a patent is sought, including pages 2 and 3 of the specification being submitted herewith;

I have reviewed and understand the contents of the above-identified application, including pages 2 and 3 of the specification being submitted herewith and the claims;

Pages 2 and 3 of the specification being submitted herewith are true and correct copies of pages 2 and 3 as existed before and when the original application papers were submitted to the PTO on May 11, 2001.

I acknowledge the duty to disclose to the United States Patent and Trademark Office all information known to me to be material to patentability as defined in 37 CFR 1.56, including material information which became available between the filing date of the prior application and the National or PCT International filing date of the continuation-in-part application, if applicable; and

All statements made herein of my knowledge are true, all statements made herein on information and belief are believed to be true, and further that these statements were made with the knowledge that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and may jeopardize the validity of the application or any patent issuing thereon.
